dmckeen@techno-imaging.com
www.techno-imaging.com

“**Model**” means the subject of the photography session or his or her parent or legal guardian.

Introduction

The purpose of this release is to assert that **model** will hold **photographer** harmless against all claims of impropriety relating to a photography session and will not share with anyone proofs of photos from the photo session.

Model’s statement

Model states, “I have completed a photography session with photographer on this date. In exchange for a CD containing proofs of images saved during the photo session I agree to hold harmless and indemnify photographer against all claims of impropriety in connection with the session. I have received, read and understand all documentation furnished by photographer pertaining to the photo session. I agree fully with the terms of said documentation consisting of the following files and any textual agreements made in message exchanges between photographer and me leading to the photo session:”
